

USCAC POLICY ON ATHLETES SPORTS DEVELOPMENT GRANT AS OF 5/06/17

Club Members may apply for a Grant to help cover their costs in relation to attending National Athletics Championships and International Competition. All applications should fill in the correct form Annex A and address it to the Secretary (sec.uscac@gmail.com). All applications must have met the following criteria:

1. Applications for grants will only be considered from members who have been selected to attend National or International Competitions as part of an Official Queensland Schools Team, Queensland Athletics Team for National Championships or Australian Team (for International Championships).
2. All applicants should be in their second consecutive year of membership with USCAC, and been a member of USCAC for at least 12 months.
3. The athlete should have shown assistance with the club via participation and club assistance, the following are the required minimum:
 - a) At least assist in two set-up, packing up or event official at Mini-Meets, Cross Country or Winter Carnival meets.
 - b) The Athlete must have competed/officiated in a minimum of 7 USCAC/QA Track meets or Cross Country runs.
4. The maximum grant for attendance at a National and International Championships interstate, to any one Athlete in the current membership year, will be up to a maximum of \$200.00. International Championships outside of Australia will be up to a maximum of \$400. Travel expenses to a maximum of \$75.00 may be claimed when Championships are held in North Queensland.
5. It's important that all applicants should fill the correct form Annex A, if not, applicants will be eligible for the grant.
6. All grant applications and amounts are subject to Committee approval and the Committee reserves the right to reject or change the amount of any application.
7. There is an expectation that a letter of thanks to USCAC with results be forwarded to the USCAC Committee via the Secretary (sec.uscac@gmail.com).
